

- PROSPECT -
HERBA-TOP BRONCHO SUSPENSION
- ANTIPARASITIC -
spray bottle x 150 ml

COMPOSITION:

Contains a hydro-alcoholic extract of: Plantain (*Plantago folium*); Cowslip (*Primula officinalis*); Scots pine (*Pinus sylvestris*) Breckland thyme (*Thymus serpyllum*); Oregano (*Origanum vulgare*); Liquorice (*Glycyrrhiza glabra*); Common lime (*Tilia europea*).

INDICATIONS:

HERBA-TOP BRONCHO contains an extract of medicinal plants, with expectorant, anti-inflammatory, anti-tussive properties. Soothes cough and cleanses the airways by dissolving the mucus. It is recommended for dogs as an expectorant, adjuvant in respiratory diseases, in the treatment of pharyngitis, tracheo-bronchitis, acute bronchitis and chronic pneumonia.

MODE OF ADMINISTRATION:

It is administered orally, for dogs in the following doses: 1-2 puffs/5-10 kg, 2 or 3 times a day. Se aplică cu ajutorul pompei de dozare la baza limbii, timp de 7-10 zile.

CONTRAINDICATIONS:

It is contraindicated in case of ulcers and digestive spasms.

PRECAUTIONS:

Keep out of reach of children. Do not reuse the empty bottle.

STORAGE: Store at room temperature (15 - 25 °C), in its original container away from sources of fire, sun and moisture.
