INDICATIONS:

HERBA-TOP BRONCHO contains an extract of medicinal herbs, with expectorant, anti-inflammatory, antitussive properties. Soothes coughs and cleans airways dissolving mucus. It is indicated as an adjuvant in respiratory diseases, in the treatment of pharyngiti, acute and chronic bronchitis, chronic tracheobronchitis, acute and chronic pneumonia. It is recommended for use on horses, large and small ruminants, swine, poultry, pigeons and rabbits.

ADMINISTRATION:

It is administrated orally, diluted in drinking water, for 5 to 7 days, in the following doses:

Horses: 40-60 ml twice a day in drinking water

Adult cattles: 40-60 ml twice a day in drinking water or drench

Calves, sheeps and goats> 15-25 ml 2 or 3 times a day in drinking water or drench.

Swine: 5-15 ml (depending on weight), 2 or 3 times a day, in drinking water or feed

Poultry, pigeons, rabbits: in drinking water, 0.5-1 ml/1 L of water, for 7 to 10 days.

In severe affections the dose is doubled.

CONTRAINDICATIONS:

It is contraindicated on ruminants in case of traumatic reticulum and peritonitis. For the rest of the species it is contraindicated in case of acute digestive inflammations, digestive ulcers and spasms.

PRECAUTIONS:

Keep out of childrens reach. Do not reuse the empty bottles.

STORAGE:

At room temperature (15-25 C°) in well closed container, away from fire sources, sun light and moisture.

VALIDITY:

2 years, kept in it's original container.
