

- PROSPECT -

PRO-VITAL SHAMPOO with MINK OIL for cats and dogs

- bottles x 200 ml and 5 L -

CONTAINS EXTRACT OF:

- Mink oil

INDICATIONS:

It is recommended for the maintenance and sanitizing the fur of dogs and cats. The PRO-Vital shampoo with chamomile, calms, revitalizes and refreshes the irritated, sensitive skin. It gives sheen and shine to the fur. Due to its content of sodium laurylethersulfat, cocodiethanolamin and cocoamidopropilbetain (detergents) is dissolves and emulsifies the dirt in the washing liquid. The perfume has a deodorizing effect.

MODE OF USE:

External use only. Moisturize the fur with warm water, then distribute the shampoo evenly on the entire body. And after 5-10 minutes of reaction time rinse it with warm water. Dry the animal with a towel, or warm air.

PRECAUTIONS:

Avoid direct contact with the eyes, and other sensitive areas. Keep out of children`s reach! Do not swallow! Do not reuse the empty bottle!

STORAGE:

Store at room temperature (15-25 degrees Celsius), in a well sealed packaging away from sources of fire, sun and moisture.

VALIDITY:

2 years, stored in its own packaging under the prescribed conditions.
