

Calci Bio Vit

- bottles x 200 g, 800 g -

COMPOSITION:

100 g product contains:
Calcium carbonate 20g ,
Vit. D3 - 1500 U.I,
Sea buckthorn berry - 10 g,
Rosehip peel - 10 g

RECOMMENDATIONS:

The product is a feed supplement, which, due to it's calcium and vitamin D3 content, helps in the development of the skeleton of dogs, reequilibrates the skeleton of pregnant and lactating females. Due to it's content of sea buckthorn and rosehip it is a natural vitamin source (contains vitamins C, A, B1, B2, B6, B9, E, K, P, F, betacaroten) and minerals (phosphorus, calcium, magnesium, potassium, iron and sodium), with vitaminizing and mineralizing properties, digestive, tonic, stimulent and immunostimulatory. Strenghtenes the organism and prevents forming of gallstones and kidney stones.

MODE OF ADMINISTRATION:

It is administered in feed:

- ½ tea spoon/day for small sized dogs.
- 1 tea spoon/day for medium sized dogs.
- 2 tea spoon/day for large sized dogs.

For pregnant and lactating females, the dose is doubled.

STORAGE:

At room temperature (15 - 25 C°), in well closed container, away from sources of fire, sun and moisture. Keep out of reach of children.

VALIDITY:

2 years, stored in it's original container, under the prescribed conditions.
