

- PROSPECT -

HERBA-VITAL SHAMPOO for HORSES

- bottles x 200 ml, 1 L and 5 L -

CONTAINS AN EXTRACT OF:

- Greater burdock (Arctium lappa - radix)
- Silver birch (Betula pendula - folium)
- Horsetail (Equisetum arvense - folium)
- Walnut (Juglans regia - folium)
- Chamomile (Matricaria chamomilla - flos)
- Sage (Salvia officinalis -folium)
- Nettle (Urtica dioica - radix et folium).

INDICATIONS:

It is recommended for the maintenance and sanitizing of the hair of horses. Herba-Vital shampoo due to it`s composition has a nutritive effect on the skin and hair. It gives shine and sheen to the hair. Fights against hair loss. Due to it`s content of sodium laurylethersulfat, cocodiethanolamin and cocoamidopropilbetain (detergents) is dissolves and emulsifies the dirt in the washing liquid. The perfume has a deodorizing effect.

MODE OF USE:

External use only. Moisturize the hair with warm water, then distribute the shampoo evenly on the entire body. And after 5-10 minutes of reaction time rinse it with warm water. Dry the animal with a towel, warm air, or keeping it in a warm room.

PRECAUTIONS:

Avoid direct contact with the eyes, and other sensitive areas. Keep out of children`s reach! Do not swallow! Do not reuse the empty bottle!

STORAGE:

Store at room temperature (15-25 degrees Celsius), in a well sealed packaging away from sources of fire, sun and moisture.

VALIDITY:

2 years, in it's own container, under the prescribed rules.
